

Warranty Statement

MT Solar, LLC warrants that its products shall be free from defects in materials and workmanship for a period of ten (10) years from the date of purchase. Products must be installed properly and for the purpose in which it was designed and intended.

Under this warranty, MT Solar agrees to repair or replace (at our option) free of charge any MT Solar product that proves to be defective within the warranty period. Any defect must be reported within the warranty period listed above and approved by MT Solar. Any item replaced under warranty does not extend the warranty period.

Normal wear and tear is not covered by this warranty. MT Solar assumes no liability for a product that has been damaged by unreasonable use, accident, negligence, or by any other causes unrelated to materials and workmanship. This warranty does not cover any damage to the product or structure caused by nature such as acts of God, ice, snow, rain, high winds, gales, hurricanes, tornadoes, vandalism, neglect, fire, use of which the equipment is not intended, weights or loads allowed to accumulate, dents, scratches, weather soiling/stains from environmental pollution, degeneration due to saltwater corrosion, or normal wear and tear from use.

The consumer or purchaser must retain original purchase receipt for proof of purchase as a condition precedent to warranty coverage. No returns will be accepted without prior written authorization by MT Solar. To receive warranty service, contact the MT Solar dealer from whom the system was purchased, or write to:
